Whether you are with us for a business meeting or a special occasion, our staff will work with you to create a memorable event. Our flexible meeting rooms allow us to tailor the space to suit your group's specific needs.

The Wilson Ballroom and adjoining Pre-function area feature over 2,000 square feet of flexible meeting and banquet space. The Prefunction area offers a functional space to set dinner buffets, registration tables, tradeshow booths, and more.

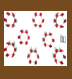

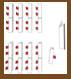

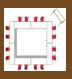

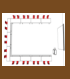

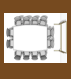

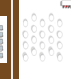

The Madeleine Suite is a versatile space that may be used for a registration area, hospitality suite, or small meeting and interview sessions. This room can be set to your preference.

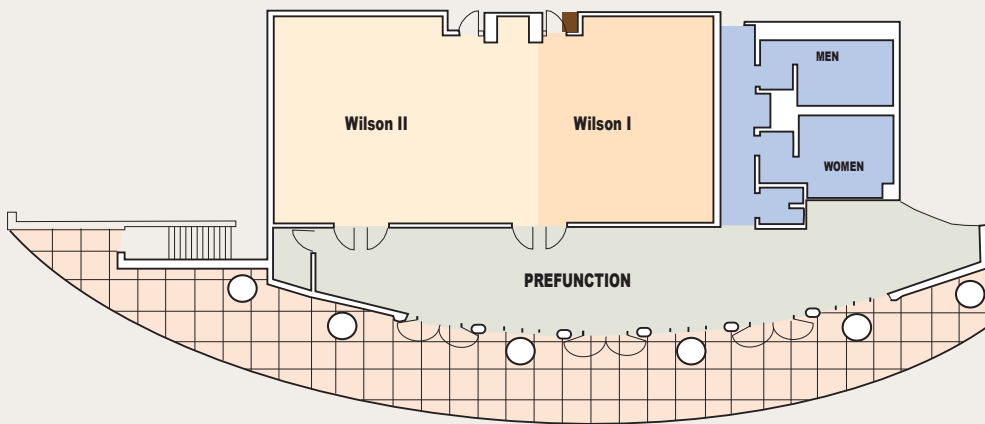

Our AIRO Boardroom is our newest and most sought after meeting space. This state-of-the-art Executive Boardroom seats 16 and is equipped for video teleconferencing capabilities. Access to the audio/visual equipment and room settings (lights, blinds, presentations) are all controlled from a personal touch-screen Crestron. This room exceeds the expectations of the most discerning executives.

Take advantage of Charleston's beautiful weather by having your event on our Tiki Patio. This secluded spot is ideal for small to medium sized networking events, showers, and welcome receptions.
